WELCOME TO SAN ANTONIO

Dear Sunbelt Attendees,

Welcome to the 2026 Sunbelt Builders Show® in beautiful San Antonio, Texas! This year marks a momentous milestone as we are celebrating 25 years of Sunbelt right here in the very city where it all began. From July 21 to 24, we return to our roots to spotlight the enduring strength and innovation of the residential construction industry.

Our schedule is packed with professional development sessions covering critical industry topics, as well as captivating keynote presentations from Ricky Dickson of Blue Bell Creameries and NAHB Chief Economist Robert Dietz. Additionally, don't miss the live action at our Podcast Studio, where industry leaders will be interviewed on everything from the state of the industry to new workforce development projects.

The trade show floor is the heart of the event, and we encourage you to visit all the booths to discover the latest products, enjoy live demonstrations, and take advantage of various giveaways. For an extra layer of excitement, join in on the Sunbelt Super Fan game, played through this year's mobile app.

Our social calendar is just as vibrant as the city itself. Join us for "Big Time on the Riverwalk" at Howl at the Moon for an evening of music and connection. We will also celebrate the best in our field at the prestigious Star Awards Dinner & Celebration Ceremony, held at the Grand Hyatt, honoring the professionals who truly elevate our industry.

On behalf of the Texas Association of Builders and the Sunbelt Builders Show® Committee, thank you for joining us for this historic 25 year celebration. We hope you leave San Antonio feeling energized and equipped with the tools and insights needed to lead the future of residential construction.

Enjoy the Show!

TEXAS ASSOCIATION OF BUILDERS

The Texas Association of Builders (TAB) is a trade association that was formed in 1946 and is an affiliate of the National Association of Home Builders (NAHB). The association has 27 local home builders associations across Texas. With a membership of nearly 10,000 representing over 758,000 jobs and more than $71.5 billion annually to the Texas economy, TAB plays a crucial role in providing housing for Texans.

TAB offers its members a comprehensive package of resources and benefits to help them build their businesses: industry publications, regulatory guidance, legislative lobbying efforts, valuable educational services, and an information-filled website. By joining the Texas Association of Builders, members can tap into an information network that will help them improve their bottom line.

Members of local home builders associations are automatically members of TAB and NAHB.

Contact the Texas Association of Builders about TAB's membership benefits or visit TexasBuilders.org.

SHOW INFORMATION

Accessibility
The Henry B. González Convention Center falls under Title II (State & Local Government) of the American with Disabilities Act (ADA) and is maintained and operated with regard to the requirements of the Act. For events in the Lila Cockrell Theatre, accessible seating is available in several areas.

Badges
The official Sunbelt registration badge should be prominently worn and displayed at all times for prompt admission to the exhibit area and keynote sessions. Badges are not transferable and may not be loaned to anyone for any purpose. All Show attendees and exhibitors must wear their badges while on the Show floor. If you lose your badge, there will be a $35 replacement fee for each lost or forgotten badge.

Badges are color coded as follows:
BLUE: Attendees *(Builders, Remodelers, Architects, Designers, Associates and Vendors (Non-Exhibiting), Media, HBA Staff, Student/Faculty)*

RED: Exhibitors

TURQUOISE: Show Staff

Children on the trade show floor
Children under 18 must be accompanied and supervised by an adult at all times when in the exhibit hall. Registration for children is complimentary and must be done on-site. All children except infants in backpacks or slings must be registered. Children under 18 are not permitted on the Show floor during setup or teardown.

Special Offers
Sunbelt exhibitors always bring their best to our Show and that includes Special Offers such as giveaways: giftcards, rebates, and special deals. Be sure to check the Special Offers section of the Sunbelt app.

Live Animals
With the exception of service animals, animals of any kind are not allowed in the exhibit hall.

Lost & Found
To report a lost item, stop by the Registration Desk.

Photography/Videography
By attending the 2026 Sunbelt Builders Show® you acknowledge and agree that photographs, video, and audio recordings may be taken by Show organizers or their representatives for use in marketing, promotional materials, and historical archives. These images may be used without compensation and will never be used in a manner that misrepresents your participation or the spirit of the event. Attendance constitutes consent to such use.

Contact Sarah Venkatesh (Sarah@TexasBuilders.org) with the Texas Association of Builders if you plan to take professional photos or video on the trade show floor. It is prohibited to do so without permission.

SHOW INFORMATION

Registration & Social Events

Attendees may register for the Show and purchase Big Time on the Riverwalk at Howl at the Moon (featuring dueling pianos), or Star Awards Dinner & Ceremony tickets on-site, based on availability. To purchase access, please visit the Registration Desk. There will be a name check-in list at the door of each event.

Registration Desk

The Registration Desk is located on the ground floor of the Henry B. González Convention Center, just outside Exhibit Hall 3. Pick up your Show Pass badges and Sunbelt Show Guides there. The Registration Desk will also serve as lost and found.

On-Site Registration Costs

- Builder/Remodeler Show Pass $150
- Associate Show Pass (Member).....$750
- Vendor Show Pass (Non-Member) $2,000
- Student/Faculty Show Pass (with valid school ID) $0
- Badge Reprint Fee $35

Self-Parking

The Henry B. González Convention Center has parking in the Convention Center Garage at 850 E. Commerce (corner of Commerce & Bowie Streets) across street from main entrance to Convention Center and Lila Cockrell Theatre. The daily flat rate is $10.00 and based on availability. You can find additional parking options at sunbeltbuildersshow.com/parking or here:

Show Management

The Sunbelt Builders Show® is owned and operated by The Texas Association of Builders (TAB). Founded in 1946, TAB is an affiliate of the National Association of Home Builders (NAHB) and consists of 27 local home builders associations (HBAs) across Texas. With a membership of nearly 10,000 building industry professionals, representing over 758,000 jobs and $71.5 billion annually to the Texas economy, the Texas Association of Builders plays a crucial role in fulfilling the dream of homeownership for Texans. TAB holds memberships with the International Association of Exhibitions and Events (IAEE) and the Texas Society of Association Executives (TSAE).

KEYNOTE SPEAKERS

Ricky Dickson

Retired CEO at Blue Bell Creameries

Wednesday, July 22 | 8:30 - 9:30 AM | Lila Cockrell Theater

One Scoop at a Time

Ricky Dickson shares leadership lessons from building—and rebuilding—a trusted brand. With warmth, wit, and hard-won wisdom, he draws from his best-selling book, *One Scoop at a Time*, to offer insights on navigating challenges, making tough decisions, and building a culture that drives long-term success—one choice, one step, one scoop at a time. Builders and business owners will leave with actionable ideas for leading with consistency and sustaining growth in a changing market.

Sponsored by:

GREAT AMERICAN INSURANCE GROUP

Robert Dietz, Ph.D.

Chief Economist and Senior VP for Economics & Housing Policy at NAHB

Thursday, July 23 | 9 - 10 AM | Professional Development Center

Economic Forecast & Texas Housing Market

NAHB's Chief Economist Robert Dietz will provide a data-rich examination of current macroeconomic trends, with a focus on the future of monetary policy and current headline risks. This session will allow a comparison of Texas to national conditions for jobs, home prices and population growth, with an eye toward future housing and residential construction impacts. Dietz will discuss policy risks and opportunities, supply-side factors for residential construction, and provide a forecast of the home building market for 2027 and 2028.

TAB 2025 - 2027 Contracts Package Update

Don Shelton & Tyler Hood, Bush/Rudnicki/Shelton

Sponsor: Hotchkiss Insurance

Learn how the Texas Association of Builders' Residential Construction Contracts Package helps builders manage risk, maintain compliance, and establish clear expectations with homeowners. Updated every two years to reflect current law, these Texas-specific contracts address warranty standards, integrate third-party warranties, and promote transparency to help prevent disputes. The session will also cover mid-cycle updates, including provisions related to termites, Realtor registration, non-residential use notices, and copyright indemnity for plans. The session will also cover mid-cycle updates to the package, which will include Notice Regarding Termites, Realtor Registration, Non-residential Use Notice, and Indemnity for Use of Plans Under Copyright.

1:15 - 12 p.m.

Building Your Leadership House: Constructing Excellence from Foundation to Finish

Tim Lansford, Builder Educator, Leader

Strong leadership is built like a house—on a foundation designed to last. Lansford explores the "blueprint" of lasting influence: foundations of trust, framing with accountability, windows of perception, and roofs of resilience. Blending construction principles with leadership science, the session provides practical strategies for leading with intention, navigating challenges, and creating a legacy defined by strength, trust, and lasting impact.

2:30 - 3:15 p.m.

Best Practices in Energy Efficient Homes

Heather Laminack, General Manager, Ferrier Homes &
James Rodriguez, COO, Fox Energy Specialists

Discover practical strategies for building high-performance, energy-efficient homes that deliver lasting value. This session explores proven approaches to improving efficiency, reducing costs, and enhancing overall home performance, providing builders with actionable insights they can apply to their next project.

The Water Challenge: Effects on the Future of Housing

Moderated by Scott Norman, CEO, Texas Association of Builders, with Frances Blake, TAB General Counsel & V.P. of Regulatory Affairs, Ashley Morgan, Director, Texas Water Development Board, and Cara Tackett, Chief Operating Officer, Pape-Dawson Engineers

Sponsor: Kinetico Water Systems of San Antonio

Water availability is increasingly shaping the future of housing in Texas. This discussion brings together perspectives from housing advocacy, infrastructure planning, regulatory policy, and statewide water resource management to examine how water supply challenges are influencing development decisions, housing affordability, and long-term growth. Attendees will gain insight into the policies, investments, and planning strategies that will determine where and how Texas communities can continue to grow in the years ahead.

BUILT BETTER STARTS WITH BETTER WATER.

9 - 10 a.m.

Education Session Keynote: Economic Forecast and Texas Housing Market

Dr. Robert Dietz, SVP & Chief Economist, National Association of Home Builders

This data-rich session examines current macroeconomic trends, the outlook for monetary policy, and key risks shaping the economy. Attendees will gain insight into how Texas compares with national trends in employment, home prices, and population growth, and what those factors mean for future housing demand and construction activity. The discussion will also explore policy challenges and opportunities, supply-side factors affecting home building, and a forecast for the housing market through 2028.

11 - 11:45 a.m.

AI in Design, Customization & Timesaver Tools for Builders & Clients

Christopher Bolio, Owner/Partner, Alair Homes & Kristal Casey, Chief Visionary Officer, Unicorn Service Solutions

This session explores how artificial intelligence is transforming design, personalization, and efficiency across the homebuilding industry. From streamlining workflows and improving decision-making to enhancing the client experience, attendees will gain practical insights into using emerging technologies to save time, increase creativity, and remain competitive in a rapidly evolving market.

1:15 - 2:15 p.m.

Industry Viewpoints

Moderated by Tim Lansford, with:
Jeff Czar, King Fish Development (Developer)
Michael Robare, Robare Custom Homes (Custom Builder)
Frank Sitterle, Sitterle Homes (Production Builder)

Sponsor: Kinetico Water Systems of San Antonio

Gain a broad perspective on today's homebuilding market through a discussion of current conditions, buyer expectations, project planning, and operational challenges. Attendees will learn how different segments of the industry collaborate, adapt to change, and identify opportunities in an evolving housing landscape.

BRANDON® INDUSTRIES

PODCAST STUDIO INTERVIEWS

Sponsored by SOUND CAPITAL

Wednesday, July 22

12 - 12:30 p.m.

The Supply Chain Frame: From Lumber to Living Room

Brandon Bishop VP of Merchandising at McCoy's Building Supply

Drawing from his journey from the lumberyard to McCoy's executive leadership team, Bishop shares practical insight into product sourcing, logistics, pricing pressures, supplier relationships, and keeping builders supplied in a changing market. The conversation explores how trends, innovation, tariffs, product quality, and customer expectations influence purchasing decisions, while highlighting the partnerships and systems that help keep projects on track.

1 - 1:30 p.m.

Texas State Technical College New Workforce Development Project

JD Hale - Texas Association of Builders

Mike Reeser - Texas State Technical College System

The partnership between industry and education is essential to addressing the construction workforce shortage. From the need for industrial-scale training facilities to the strong career opportunities and earning potential in the skilled trades, this session highlights why technical education remains a cornerstone of keeping Texas the best place to live and do business.

2 - 2:30 p.m.

Built to Prosper

Robb Kenyon - Sound Capital

The realities builders face when financing becomes unpredictable are explored through topics including delayed draws, changing lending standards, scaling challenges, and project risk. The session examines why reliable capital has become one of the biggest competitive advantages for builders seeking growth in today's market.

3 - 3:30 p.m.

Building the Next Generation: From Builder to Builder

Todd Eidson - Sierra Homes

Matthew Reibenstein - Story Built Homes

Mentorship, workforce development, and career and technical education are critical to building the next generation of skilled trades professionals. Discover how builders can partner with schools and communities, reshape perceptions of construction careers, and create meaningful pathways into the industry. Gain practical ideas, inspiring success stories, and a renewed commitment to building futures as well as homes.

PODCAST STUDIO INTERVIEWS

Sponsored by SOUND CAPITAL

Wednesday, July 22 (continued)

4 - 4:30 PM

Professional Women in Building

Jeanne Conger CGB, CGP, Broker - On3 | Rainmaker Realty
Heather Laminack - Ferrier Homes

Leadership, mentorship, and the growing influence of women across the homebuilding industry take center stage in this Professional Women in Building discussion. Drawing on experiences supporting builders, strengthening professional networks, and creating opportunities for the next generation, the session explores career growth, industry relationships, and the value of women leading at every level of housing.

Thursday, July 23

11 - 11:30 a.m.

Blueprints & Builders - Selling Strategies

Joelle Hogg, VP of Sales Austin at Brohn Homes
Debora Trimpe, Ph.D., President at Prime Performance Strategies

Practical strategies for succeeding in today's new home market are the focus of this session. From buyer psychology to team performance, the discussion delivers straightforward insights on building trust, improving conversions, and adapting to changing market conditions—valuable for both sales professionals and business leaders.

12 - 12:30 p.m.

The State of Our Industry

Scott Norman, CEO, Texas Association of Builders

Scott Norman examines the forces shaping residential construction today, from workforce challenges and infrastructure constraints to legislative and environmental pressures. With a statewide perspective, the discussion explores housing's role in strengthening communities, driving economic growth, and addressing the complex issues that will define the future of homebuilding in Texas and beyond.

PODCAST STUDIO INTERVIEWS

Sponsored by SOUND CAPITAL

Thursday, July 23 (continued)

1 - 1:30 p.m

Building It Differently - The Airplane Hanger Project

Kenny Click, Owner, Click Builders, Inc.

With more than four decades of custom homebuilding and remodeling experience as a backdrop, this conversation explores the lessons learned from a unique airplane hangar project. The discussion highlights how builders adapt proven practices to unconventional challenges, apply creative problem-solving, and uncover opportunities beyond traditional residential construction.

2 - 2:30 p.m.

TAB Legacy and Succession in Building

Mindy Hamilton and Scott Hamilton, The Hamilton Group

This candid conversation explores legacy, succession, and the challenges of sustaining a family business across generations. Attendees will gain insight into leadership transition, evolving business practices, and the values, relationships, and long-term planning that help organizations endure while adapting to changing times.

3 - 3:30 p.m.

The Water Challenge: A Builder's Perspective

Zach Gavos, Owner, Keepsake Design + Build and
Trey Summers, President/CEO, Hogan Homes

Drawing on experience in housing, development, and water innovation, this discussion explores how water supply constraints, drought resilience, infrastructure demands, and affordability pressures are reshaping community planning and homebuilding. Attendees will gain insight into emerging conservation and water reuse solutions, while examining the balance between protecting water resources, maintaining housing affordability, and supporting long-term growth across Texas.

EXHIBITOR DESCRIPTIONS

SCREENEZE®
Booth 120
(800) 884-6697 | screeneze.com
It all began with the original SCREENEZE® System in 2003. SCREENEZE® came to fruition over the frustration with traditional methods. There had to be a better way. We wanted a system that was self-stretching, but above all, easy to repair or replace a torn screen. After several years, we landed on the idea of a two-part system. The "L" shaped base secures to a traditional timber framed porch and a cap that when pressed on,

Sherwin-Williams Co.
Booth 519
(469) 918-1640 | sherwin-williams.com/home-builders
Sherwin-Williams is an American paints and coatings company based in Cleveland, Ohio. It is primarily engaged in the manufacture, distribution, and sale of paints, coatings, floor coverings, and related products with operations in over 4800 stores and 120 countries.

Simpson Strong-Tie
Booth 113
(800) 999-5099 | strongtie.com
At Simpson Strong-Tie, our vision is to provide the most trusted construction solutions on jobs worldwide. Our mission is to provide solutions that help people design and build safer, stronger structures. We are committed to developing innovative, proven products and software with unparalleled quality across a broad range of markets and applications.

Slash Financial
Booth 908
(408) 310-9269 | slash.com
Slash is the fastest-growing all-in-one finance platform built for GCs, developers, and subcontractors. We power over $30B in annual payments for 7,000+ businesses across the country. Companies on Slash save 50+ hours a month on automated receipt collection, reconciliation, and close-the-books, and add 3–5% to their bottom line through industry-high cashback, granular card controls with auto-blocking features, and more.

SmartSlab Foundation Technologies
Booth 808
(512) 848-2665 | smartslabsystem.com
Built on 50+ years of Texas residential foundation design and forensic experience, the SmartSlab® System control slab movement driven by drainage and moisture imbalance on expansive soils. When used together, the SmartSlab Sensors and Under-Slab Aquadation Piping System reduce building distress, costly foundation repair, and surface-watering waste by proactively addressing moisture imbalances under the foundation.

Sound Capital
Podcast Studio
Booth 234
(888) 490-4450 | soundcapital.com
Sound Capital is a private lender specializing in ground-up spec home construction. We provide reliable, fully funded loans from day one—so projects don't stall when it matters most. With a 95% repeat and referral client rate, Sound Capital has earned its reputation as a trusted, reliable lending partner for professional builders ready to scale and keep projects moving with confidence.

Southwest Court Builders
